Caitlin:

The Tarrant County Republican Victory Fund hosted a Candidate Fair on February 4, 2012, and we conducted voter registration at that event. Our primary is currently scheduled for April 3, although that is not a firm date because the Texas redistricting maps are still in question.

I am requesting a change in reporting periods for this year. We wish to begin reporting monthly with the report due March 20, 2012.

Thanks,
